

Library at Home

Time: 30 minutes

You need

- ☐ 10 to 15 books or objects
- ☐ Sticky notes
- ☐ Pencil and paper

Steps

- 1** Gather your books or objects.
- 2** Decide how to group them: by topic, size, or colour.
- 3** Make a label for each group.
- 4** Make a simple check-out list with columns for name, item, and date.
- 5** Ask someone to find an item using only your system.

Before you start: what do I think will happen?

My observations

Table 1. My groups

Group name	Items in this group	Label I made

Table 2. My check-out list

Name	Item	Date out	Date back

Think about it

Was your system easy to use?

What would make it better?
