

Teach Someone Something

Time: 25 minutes

You need

- ☐ Paper and pencil
- ☐ A younger child or family member
- ☐ Something to show them

Steps

- 1** Pick something you know well, such as tying a knot or playing a game.
- 2** Write 3 steps for teaching it.
- 3** Teach it, then ask your learner to explain it back to you.
- 4** If they find a step tricky, explain it a different way.

Before you start: what do I think will happen?

My observations

Think about it

How did you know they understood?

What would you change next time?
